

Utilities Commission, the Facility was able to utilize four new technologies to move from energy consumption to production. The Facility is now able to export the excess energy it creates and saves Hayward an estimated \$400,000 each year.

Some of these technologies also help reduce the environmental impact to the community. The Facility's new digesters, which convert bio-waste to energy, accept waste fats, oils, and greases from the area to help fuel them, keeping those wastes out of landfills. The Facility also sends treated, non-potable water to a nearby power plant, reducing the cost of pumping the water into the San Francisco Bay, and better harnessing water resources in this time of severe drought.

The Facility's revolutionary measures have recently been recognized by organizations across the country. In October 2015, the EPA selected it for the Green Power Leadership Award. On May 26, the Facility will receive the Bay Area's oldest environmental award, the Acterra Business Environmental Award.

The Facility's commitment to the Hayward community and environment is truly extraordinary. I want to acknowledge it and the City of Hayward for their dedication to a sustainable future.

### PAYING TRIBUTE TO PAT FOX FOR HER 11 YEARS OF OUTSTANDING SERVICE AS PRESIDENT AND CEO OF RIVERVIEW HEALTH

### HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 18, 2016*

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor Pat Fox on the occasion of her retirement. For over a decade, Pat has served as President and CEO of Riverview Health in Noblesville, Indiana. Pat has an impressive 45 years in the healthcare industry and her passion for patient care and dedication to making Riverview a first-rate hospital has left an enduring impact on the Riverview Health system. The people of Indiana's Fifth Congressional District are forever grateful for

Pat Fox's commitment to making Riverview Health a great place to work, practice medicine, and receive excellent patient care.

Pat began her career in the health industry as a nurse aid in a small county hospital and decided she wanted to pursue a nursing degree. After completing her degree to become an R.N. at St. Mary's in Chicago, she went on to receive a bachelor's degree in Public Health Administration from Indiana University and a master's degree from St. Francis in Illinois. Pat remains a licensed R.N. today, however for the past 30 years she has served in leadership roles in hospitals throughout Indiana.

She began her career in hospital administration as a manager at Wishard Hospital in Indianapolis, which is now known as Eskenazi, and worked her way up to Vice President of Patient Care Services. In 2000, Pat was recruited by Riverview Health for her strong leadership skills to fill the position of Chief Operating Officer. Four years later, when the CEO retired, Pat was promoted. Throughout her 11 year tenure as CEO of Riverview Health, she has been instrumental in helping the Riverview Health system grow into an exceptional and widely-respected health system.

Riverview Health opened its first hospital in May of 1951. At the time, it was just one hospital, but over the past 55 years, Riverview has committed itself to adapting and expanding its facilities to meet the healthcare needs of its community. When Pat started in 2000, Riverview Health was considered a small county hospital with six physicians working outside the hospital in offices around Hamilton County. Under her administration, the health system has grown into a first-class network of 55 facilities, including the large hospital, offices, nursing homes and numerous other facilities focused on outpatient care. Most notably, Pat is responsible for leading the efforts in opening the Women's and Children's units, a new Emergency Center, and facilitation of a physician-led multi-disciplinary breast cancer team. Riverview Health has also been selected to receive a number of prestigious awards under Pat's leadership. Riverview Health was honored with an AchieveWELL certification from The Wellness Council of Indiana (2011), the Patient Safety Excellence Award from HealthGrades (2012), Five-Star Excellence Award from the Professional Research Consultants Inc. (2014), and has consistently ranked in the top 5 percent of U.S. hospitals.

Beyond her work with Riverview, she is an active member of the community. She serves on a number of non-profit boards, including the Cherish Center, Noblesville Youth Assistance Program, Prevail, Inc., and the Westfield Chamber of Commerce. Her commitment to the Hoosier community and success as a leader has not gone unnoticed. She has received a number of awards, including Aspire Indiana's 2013 Aspiring Person Award for her diverse and meaningful involvement throughout the community.

Pat has devoted herself to attaining the vision she set out for the hospital when she began her career with Riverview, and over the last decade she has achieved that vision above and beyond. She transformed healthcare, particularly in Noblesville, but also throughout central Indiana and the Hoosier community is eternally grateful for her dedication to providing the highest standard of healthcare to Hoosiers. I am thrilled to hear
